### COOKIES NOTICE

1. Cookies are a small amount of data that contain a string of characters and uniquely identify a browser on a device connected to the Internet.
2. EncryptoTel may place, view, and/or use cookies (similar technologies) for the purposes of:
  - (a) managing the security of the Website;
  - (b) collection of statistical and other information about your use of the Website;
  - (c) assistance of our partners (third parties) to track user visits to the Website (to the possible extent prescribed by the Privacy Policy);
  - (d) recognition of you as the Website user;
  - (e) customizing the Website and advertising;
  - (f) measuring promotional effectiveness and collecting information about your computer or other access device to mitigate risk; or
  - (g) enhancing your experience as the user of the Website.
3. Information obtained from cookies may include information about the IP address of your computer, browser type, language, operating system, your device, geo-location data, the state or country from which you accessed the Website, the Web pages visited, the date and the time of a visit, the websites you visited immediately before and after visiting the Website, the number of links you click within the Website, the functions you use on the Website, the databases you view and the searches you request on the Website, the data you save on or download from the Website and the number of times you view an advertisement.
4. You may choose to set web browser to refuse cookies, or to alert when cookies are being sent. You have the right to decide whether to accept or reject cookies. If you do so, you may still use the Website though your access to some functionality and areas of the Website may be restricted.
